OUR HISTORY

Welcome and thanks for taking a few minutes to learn about Handberg's— a fifth generation, family owned and operated business founded by my great-grandparents John G. "Jack" and Ruby Handberg in the early 1920's. "Jack", my was a USFS Ranger, stationed at Crane Lake from 1913 to 1923, when he began building Handberg's Northwoods Lodge. The Handberg's outboard motor business was launched in 1926 having become a Johnson Outboard Motor dealer. Through the generations we have migrated from a fishing resort to a boat, motor and full service marina.

For nearly a century Handberg's has remained a family owned and operated business. My great-grandparents Jack and Ruby, passed the business down to my grandparents John G. "Gil" and Edna Handberg who gave it to my parents Jim and Shirley Sanborn. They operated the business from 1969 — 1996 when my wife Lori and I took over. Our sons John and Scott Sanborn are the fifth generation. They are already involved and beginning to make their mark at Handberg's.

Since the beginning of Handberg's we have served our customers with the personal family touch by supplying their needs whether vacationers, summer home owners, or Crane Lake area businesses and residents. We greatly appreciate our outstanding crew who help provide the excellent service with a willingness to adapt to the changing times which has meant return customers, year after year.

We look forward to serving your family soon.

Sincerely,

Jeff, John, Scott & Lori Sanborn
